Dear Valued Customer:

In response to the Kosher status of AmTopp's BOPP films, we can offer the following information:

AmTopp's BOPP films type do not contain animal products, animal by-products, or bovine derivatives.

We do not however, claim that any of our BOPP films can be considered Kosher, given that we do not have any overseeing authority that would allow us to make this claim.

For and on behalf of AmTopp,
Valerie Kaiser
