

LoadStar Plus & LoadStar AmTopp Hand Film

The logo for LoadStar Plus, featuring the word "LOADSTAR" in blue and black, a blue star, and the word "PLUS" in red.The logo for LoadStar, featuring the word "LOADSTAR" in blue and black, and a blue star.

AmTopp[®] LoadStar[™] Plus and LoadStar hand films (HLP & HLB), from our Engineered Ultra High Performance Film Series, are technologically advanced cast films that are formulated with a premium resin blend and manufactured on state of the art equipment.

AmTopp LoadStar Plus and LoadStar renders superior strength and enables maximum load-holding force with minimal film usage.

The films exhibit unparalleled strength in lighter gauges, allowing extreme down-gauge opportunities while eliminating volume to the waste stream.

LoadStar Plus and LoadStar films possess exceptional puncture resistance characteristics, equal to higher gauged films.

The films provide the greatest load-holding force with the least amount of film usage.

Features & Benefits

- Technologically advanced cast film formulation
- Unrivaled load-holding force
- Superior cling
- Unsurpassed puncture resistance
- Less neck-down vs. wider conventional films
- Superb economical value
- Excellent clarity
- Quiet release
- Environmentally friendly
