

Color Tinted AmTopp Stretch Film

AmTopp[®] Tinted Stretch Film, one of the films in our Specialty Film Series, is a great option for a variety of usages.

Inteplast[®] produces hand film and two grades of machine film: premium value and high performance. The tinted stretch films are manufactured in six different colors.

Features & Benefits

- Designed to make products easy to identify in the warehouse
- Assists in color coding inventory
- Ideal for company branding
- Improves load appearance
- Makes tampered loads evident quickly
- Available in the following colors: black, blue, green, orange, red, and yellow
